CHRISTMAS TREES **Beat the Christmas rush, get your orders in early. Free delivery to your door!**

Thank you for your support of the Oxfam Australia Christmas Tree Project. You have the opportunity to buy a freshly cut, green, specially grown pine Christmas tree and have it delivered to your door. In doing so, you will continue to help Oxfam Australia offer long-term solutions for people suffering poverty and social injustice.

Our volunteer drivers from Melbourne 4WD clubs will deliver a Christmas tree, about 1.75m high, to your door between **Saturday 12 December and Tuesday 15 December for just \$60**. If you are not home the tree will be left in a safe place. You may like to leave a bucket of water in a shady spot and the tree will be placed in it if you are not at home. 98% of trees are delivered by Sunday afternoon. **This year you have four ways to purchase a tree:-**

1. Via the internet – go to www.oxfam.org.au/trees and with your credit card, securely order online by 30 November.
2. By Post – fill in the order form and send with your credit card details or cheque/money order (payable to Oxfam Christmas Trees) to arrive by 30 November to **Oxfam Christmas Trees, 132 Leicester Street, Carlton Vic 3053**.
3. By fax on **03 9347 1983** - fax through your order with your credit card details entered.
4. By Phone – call **1800 034 034** between 9am-5pm Monday to Friday by 30 November.

Please include your Melway map number and reference if you have a Melway.

We deliver to maps 5-99 inclusive and to Frankston, Werribee and Geelong unless we have made a past delivery to you outside these areas. As well as buying a tree for yourself, please encourage friends, neighbours and colleagues to buy a tree through you. Just include \$60 for each extra tree and write the other delivery address(es) on the reverse side of the order form. Alternatively, copy this flyer (after covering up your details) and leave at reception or add to your notice-board or newsletter.

For any queries visit the above website to answer your **Frequently Asked Questions**. Alternatively, you can phone **1800 034 034** between 9-5pm Monday to Friday.

Many thanks for your support. Brian Moran, Oxfam Volunteer
