

ACTIVITY 2: DEADLY SISTA GIRLZ BROCHURE

Congratulations! You've scored yourself a brand-new job: You've been hired to be a Health Promotions Officer for the Deadly Sista Girlz.

Work as individuals to create a brochure that the Deadly Sista Girlz could use to promote their organisation to community.

You could create this by hand, on your computer or iPad, or online using programs like Lucidpress: <https://www.lucidpress.com>, Smore: <https://www.smore.com> or Canva: <https://www.canva.com>

The information should outline the program, and how Deadly Sista Girlsz optimise health and human development of individuals in their community.
