

ACTIVITY 3: SINGING AND STORYBOARDS

a) Watch the following video 'If you're happy and you know it, wash your hands': http://youtu.be/1gndHs_Z3Fk

Then look at this instructional info sheet for Tippytap.org as a prompt for the types of imagery used when teaching people how to wash their hands at <http://www.tippytap.org/wp-content/uploads/2011/03/GHD-report-manual2.pdf>

b) Generate your own pictorial story board on why we need to wash our hands and how to do it.

Plan your story in the boxes below (you can use more or less frames – this is just a planning guide) remembering the steps you need to do to wash your hands thoroughly and the types of activities we need to wash our hand before and after doing.

Then using butchers paper or A3 paper, draw your educational storyboard. Post them up around the room.
