

# CLOSE THE GAP

Demand Indigenous health equality

## Australian Curriculum: History – Year 9

The relevant content descriptions for the National Close the Gap Day educational resources are outlined below.

Year 9 History:	Close the Gap educational resources relevance
<b>Depth Study: Australia and Asia</b>	
The extension of settlement, including the effects of contact (intended and unintended) between European settlers in Australia and Aboriginal and Torres Strait Islander people. (ACDSEH020)	Oxfam’s NCTGD resources support students to explore the health impacts and outcomes on Aboriginal and Torres Strait Islander peoples as a consequence of settlement and contact with European settlers, up until the present day.
