

Since 1990 our world has made incredible progress fighting poverty and tackling inequality. By 2030, with the Global Goals, we have the chance to do even more.

We helped lift more than 1 billion people out of extreme poverty. **Now lets End Poverty by 2030.**

The number of underweight kids has dropped from 1 in 4 to 1 in 7. **Now lets End Hunger by 2030.**

New HIV infections have declined almost 40% since 2000. **Now lets ensure Good Health for all by 2030.**

The number of kids missing out on primary school has almost halved. **Now lets give every child a Quality Education by 2030.**

The average proportion of women in parliament has almost doubled in the past 20 years. **We can achieve Gender Equality by 2030.**

2.1 billion people have gained access to improved sanitation. **Everyone deserves Clean Water and Sanitation by 2030.**

Energy efficiency has increased by more than 30% since 1980. **We can reach universal access to Renewable Energy by 2030.**

The number of workers living in extreme poverty has dropped by 2/3. **We can secure Good Jobs and Economic Growth for all by 2030.**

95% of the world's population is covered by a mobile-cellular signal. **Resilient Innovation and Infrastructure will pave the way to 2030.**

The proportion of people living in urban slums fell from 40% to 30% since 2000. **We will Reduce Inequalities within and among countries by 2030.**

In 2008 the sustainability sector created more than 2.3 million jobs. **We will live in Sustainable Cities and Communities by 2030.**

We've cut deforestation from 8.3 million hectares in 1990 to 5.2 million hectares in 2010. **We must foster Responsible Consumption globally by 2030.**

98% of ozone depleting substances have been eliminated since 1990. **By 2030 we will see the impact of positive Climate Action.**

Since 1990, marine protection has more than doubled. **By 2030 we will reduce all pollution for Life Below Water.**

Protected reserves have more than quadrupled in Western Asia alone. **By 2030 we will restore and protect Life on Land.**

54 countries enacted anti human trafficking legislation from 2004 - 2009. **By 2030 we will seek Peace and Justice for all.**

In 2014, Denmark, Luxembourg, Norway, Sweden and the United Kingdom continued to exceed the United Nations official development assistance target of 0.7 per cent of gross national income. **By 2030 we will prove again the significance of Global Partnerships.**

Through Australian Aid we can join the rest of the world in building an even brighter future.

I'm for Australian Aid.
