Tax

Taxes, aid and private investment are important to help tackle poverty and inequality. We all must do our bit – individuals, organisations, businesses and governments.

participation

economic independence

All women and girls should be free from discrimination and violence, be treated equally, be able to have a say and be listened to.

NATURAL RESOURCES

When people rely on land, water and natural resources to live, they should have a say in how it's used. Governments and businesses must listen to the people, keep them safe, and share the benefits fairly.

the RIGHT TO BE HEARD

Everyone should be able to speak up for their rights,
and speak out against injustices. Decision-makers
must listen and respond to our voices.
