

JUST \$1 FROM EVERYONE

IMAGINE THE POTENTIAL

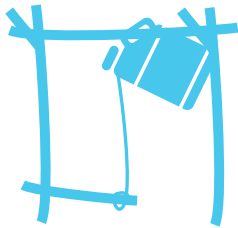

IF 50 OF YOU EACH DONATED JUST \$1, a remote village in the Solomon Islands could build a raintank so they **ALWAYS HAVE CLEAN WATER.**

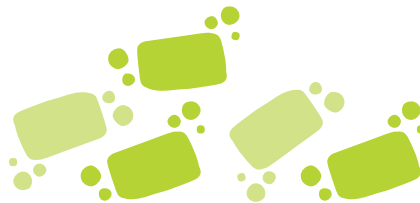

IT ONLY TAKES \$7 to give a Syrian refugee in Jordan four bars of soap to help keep their hands clean and **STOP THE SPREAD OF GERMS.**

\$14 CAN PROVIDE A BAR OF SOAP AND A TOILET CLEANING KIT for a Syrian refugee in Lebanon, **REDUCING THE RISK OF DISEASE.**

\$21 IS ENOUGH TO BUY A TIPPY-TAP, a clever device that means families in South Africa can always wash their hands, **PROTECTING THEM FROM DEADLY DISEASES.**

MAKE IT \$28 and that same family can also access **FIVE BARS OF SOAP TO USE WITH THEIR TIPPY-TAP.**

IF YOU DONATED A DOLLAR EVERY DAY IN MAY, that \$31 would buy a tippy-tap **AND** a toilet cleaning kit.

IF EVERYONE IN YOUR CLASS DONATED JUST \$4 — together you could help give **CLEAN WATER TO AN ENTIRE SCHOOL IN SOUTH AFRICA.**

\$135 IS ENOUGH to buy the tools needed to build a well in Sri Lanka, **AND TRAIN LOCAL PEOPLE TO LOOK AFTER IT.**

IF EVERYONE YOU KNEW GAVE JUST \$1 THIS MAY, WE COULD GIVE LIFE-SAVING CLEAN WATER TO EVEN MORE PEOPLE LIVING IN POVERTY.
