# FIND THE TREASURE

**WIN \$50!** Buy a square of the trail map for \$2 and put your name and phone number in the square where you think the \$50 is hidden. The more squares you buy, the higher your chances of finding the treasure. What's more, you'll be helping to raise \$150 to support Oxfam's fight against poverty and injustice.

The game will close and the winner will be announced no later than: \_\_\_\_\_

## THE DIFFERENCE YOU MAKE

Photo: Matthew Willman/OxfamAUS

\$2 can provide two nutritious meals each day to a child in a crèche in South Africa.

Photo: Pablo Tosco/Oxfam

\$20 can purchase 4 collapsible 10 litre water bladders, enabling families to transport and store clean drinking water in the aftermath of an emergency.

Photo: Rodney Dekker/OxfamNZ

\$100 can provide a woman and two children with shelter, food and water for one week in a safe house in Papua New Guinea, keeping them safe and free from violence.

# HOW TO USE THIS TREASURE MAP

1. This game is a raffle as defined by the relevant legislation in each state of Australia. To allow for the random selection of the winning person after the closing date, you have been provided with a sheet of numbered tickets which match those on the game map. Prior to displaying the game map, cut along the dotted line to remove the ticket sheet from the map.
2. Complete your personal and team details in the spaces provided on the poster. Also make sure you set a date for the game to end and write it in the space provided.
3. If necessary, secure agreement from your employer to run this game at work.
4. The price of each square is \$2. No more than \$2 and no less than \$2. Inducements such as "6 squares for \$10" must not be offered.
5. Each player must pay the whole \$2 for each square when they choose it. They cannot pay later. Once money has been received for a square, it cannot be refunded.
6. Once the player has paid their \$2, ask them to clearly write their name on the square of their choice on the game map.
7. Only one player per square. Two or more people cannot own the same square. however, each player may own as many squares as they pay for.
8. No deductions may be made for management fees and expenses. Each poster constitutes a separate game.
9. The first \$50 raised in the sale of squares will be given to the winner. If fewer than 25 squares are sold by the draw date, you will be responsible for making up the difference. All funds in excess of this will be donated to Oxfam Australia.
10. Pin the poster up at your place of work — in the staff room, coffee area, kitchen or anywhere that people gather; or at another suitable location such as your local club or community group. Ask your friends to do the same.
11. After the game has been sold out or the closing date has passed (whichever is sooner), cut up the numbered tickets sheet and place them in a container large enough to contain all the tickets and for them to be freely mixed prior to selection.
12. Make the random selection of the winner.
13. Give the winner the \$50 prize money. Highlight on the poster who has won the prize and display the poster for a week or two so that everyone knows.
14. When paying your fundraised money to Oxfam, do not send cash through the post. Please make cheques payable to Oxfam Australia, stating on the reverse your team name and which event you are participating in. Alternatively, you can transfer the money online (via your online Teamspace).
15. You can order more treasure maps by calling or emailing the Oxfam Trailwalker staff for your event.
