JOIN MY EVENT

SHOW YOUR SUPPORT FOR INDIGENOUS HEALTH EQUALITY

We all deserve the chance to be healthy; and you can help make this happen. You're invited to show your support for Aboriginal and Torres Strait Islander health equality by joining my event (see details above).

More than 100,000 people are expected to take part in National Close the Gap Day. Find out what's been achieved over the last 10 years. But more importantly, find out how you can help close the health gap by 2030.

Join me. Together we can Close the Gap.
